RIO MANSO GROUP

Rio Manso Group Unveils New Brand Identity and Expanded Services Rebranding to Elevate Fishing Experiences and Promote Conservation

Bariloche, Argentina – Rio Manso Group, a leader in premier fishing lodges and exceptional angling experiences, proudly announces its rebranding and upscaling initiative. This strategic move not only reflects the company's commitment to providing unparalleled fishing adventures but also underscores its dedication to conservation and high-quality service.

"Our new identity as Rio Manso Group represents a significant milestone in our journey," said Lole Pandolfi, Rio Manso Group CEO. "We are excited to offer our guests enhanced experiences at our world-class fishing venues while continuing to champion environmental stewardship."

Different Rio Manso Group Venues

Rio Manso Lodge

- Nestled in the heart of nature, Rio Manso Lodge offers guests an immersive experience in luxury and adventure. The lodge is equipped with modern amenities and offers breathtaking views of the surrounding landscapes. Whether you're an experienced angler or a beginner, our dedicated staff is here to ensure your stay is both comfortable and memorable, pretty close to Bariloche.

Rio Manso Uncharted

- For those looking to truly disconnect and reconnect with nature, Rio Manso Uncharted provides a unique off-grid experience. These eco-friendly accommodations are designed to offer a minimalist yet comfortable stay, allowing guests to fully embrace the serenity of their natural surroundings. Enjoy the simplicity of life without compromising on comfort while fishing in pristine and never fished spots yet within a 5000 hectares of private waters!

Rio Manso Float Trips

- For the more adventurous, Rio Manso Float Trips offers the ultimate wilderness experience. Stay in well-equipped campsites that provide the perfect base for exploring remote fishing spots and knowing different rivers in Patagonia. With a focus on sustainable practices, our camps ensure that you leave nothing but footprints behind and take with you unforgettable memories.

Benefits of Rio Manso Group's Enhanced Services:

- **Diverse Fishing Locations:** Access to an array of pristine fishing spots, from our 5 stars lodge, passing by our Unplugged cabins in remote and exclusive locations or in our Deluxe Tent experiences by the river.
- **Expert Guides:** Knowledgeable guides who are passionate about angling and dedicated to providing unforgettable fishing experiences with +10 years working with us.
- **Luxurious Lodges:** Stay in comfortable, well-appointed lodges venues to offer a seamless blend of adventure and relaxation. Luxury is a matter of perspective.
- **Conservation Efforts:** Commitment to sustainable fishing practices and ongoing conservation projects to protect aquatic ecosystems.
- **Customized Experiences:** Tailor-made fishing trips to suit the preferences and skill levels of all anglers.

The rebranded Rio Manso Group will officially launch its enhanced offerings on November 1, 2024. Pricing details and specific package information will be available on the company's website.

About Rio Manso Group

Rio Manso Group specializes in creating extraordinary fishing experiences for enthusiasts and travelers seeking adventure and tranquility. With a focus on exceptional service, conservation, and education, Rio Manso Group offers access to some of the world's most remarkable fishing locations and species. Our mission is to inspire a deep appreciation for nature and promote sustainable practices within the angling community.
